Late Arrival	
Students arriving after 9.00am must proceed to the office for a Late Note . I encourage all students to arrive no later than 8.45 am to allow for school organisation of Canteen Orders and notes to Office etc Late attendance is monitored by our Home School Liaison Officer. Please establish a Morning Routine that allows your child to arrive between 8.30 - 8.45am each day.	

Thank you to parents for supporting our Assembly/ Learning Zone areas during school hours and our exiting routines. Our school has a large population and the safety of students and their ability to move around the school freely, is important to us. Also, engagement in classroom learning is difficult when parents are in social conversation around the classroom setting. Parents are requested to allow teachers to supervise classes during assembly time and not approach staff for interviews. Parent/Teachers interviews can be arranged through at front office on 46 211201.
