Parent Sphero Sprk+ Workshop

Dear Parents and Carers,

Due to the popularity of our Robotics workshop we are offering a second workshop to parents that centres around the 'Sphero Sprk+' robots that the students are currently engaging with in classrooms as part of their 'future-focused learning' initiatives.

Learn how to operate the Sphero and learn all about coding and programming. The workshop will be held in the EDB classrooms on Wednesday 9 May from 1pm-3pm. Afternoon tea will be provided so come along and have a fun-filled afternoon with us.

When: Wednesday 9 May 2018

Where: Support Unit classroom

Time: 1.00pm – 3:00pm

If you will be attending this workshop, please fill in the note below and hand it in at the office by Friday 4 May 2018.

Mrs Tima Johns
Community Liaison Officer

Mr Jason Knobel
Relieving Principal

Parents Sphero Sprk+ Workshop

I will be attending the Parents Robotics Workshop on Wednesday 9 May 2018.
